

Free Oracle PHPfest

Oracle Technology Network (OTN) After Hours

Thursday, June 15th

6:30 to 8:30 p.m.

Foyer

- ❑ Free Oracle, PHP, and Linux software
- ❑ Installation and Configuration
- ❑ Using PHP and Oracle Tutorial
- ❑ Free PHP Oracle User Guide

Discover how to set up an enterprise PHP environment and get the most performance and productivity from PHP, Oracle, and Linux. Bring your laptop and install while OTN experts guide you and answer your questions, or just come along to pick up the software and user guide.

Don't miss this free "hands-on" evening presented by the Oracle Open Source Development Team!

Refreshments will be provided.
